Rock stars can be defined as people who stand out among others – people who perform on stages and have their names in lights. Maybe you're saying, "That singles me out," but it doesn't.

You don't have to be a prodigy to be famous. If you go and help people, you're a rock star. If you go to Church to praise God, you're a rock star. When you pray it's like you're performing on a stage. Most importantly, if you love your family you are a rock star.

Your family is like an audience that will never boo you or will ever have to pay you money to see you do what you do best. Be yourself. Don't hide who you are. Show your faith!

St. Augustine said, "When you sing you pray twice." Sing in your Church's choir, become altar servers, volunteer at community services! If you like music, you can become a gospel musician. If you like action, become a police officer or firefighter to protect people. Finally, if you love God, go to Church and pray, become priests and nuns, and proclaim your faith.

Every night I say, "Jesus I love you. Jesus I trust in you. Jesus I believe in you and Jesus I need you".

So pray, dream, and believe and you will ***worship like a rock star!***
